

Since 1971, this family owned business has been serving the South Florida boating community with the **highest quality marine interiors** and dependable service. Our company has been supplying local and regional **boat builders** for over 50 years.

Our team of knowledgeable and skilled employees ensures that all of our products are assembled to meet our own high expectations.

Our facility features state of the art computerized cutting machines which offer precise and consistent throughout our material components.

We take pride in delivering the highest quality goods. To that end, we use only the finest materials available to the marine industry.
